

To Whom It May Concern

Subject: Nonexclusive Certificate of Authorization for LLC "MIT"

Lyen Marine Propulsion Company, is a leading manufacturer of marine propulsion systems including controllable pitch propellers (CPP) , Azimuth thruster, Tunnel thruster, control system and electrical propulsion, presents the Letter of Authorization, hereby confirming **LLC "Marine and Industrial Technology"** (short name: **LLC "MIT"**, Tax Identification Number INN 9727087787, Legal address: 117335, Russian Federation, Moscow, Lomonosovskiy municipal okrug, Vavilova st. 91, b.2) has been duly authorized as nonexclusive Dealer and Representative of Lyen Marine Propulsion Company on the territory of the Russian Federation.

As our authorized partner, LLC "MIT" is empowered to represent Lyen Marine Propulsion Company in all commercial aspects, technical support, spare parts supply, warranty services, after-sales maintenance, and compliance with local standards for our propulsion products throughout Russia. This partnership leverages LLC "MIT" 's expertise in marine and industrial technologies to deliver our high-quality, reliable solutions - such as low-noise CPP and modular thrusters - to Russian shipbuilders and operators.

This appointment remains valid until December 2028.
